## SUPPLEMENTAL-RESCISSIONS CONFERENCE/Job Training-Education

**SUBJECT:** Supplemental Appropriations for Disaster Assistance and Rescissions Act . . . H.R. 1944. Hatfield motion to table Division II of the Wellstone/Moseley-Braun amendment No. 1833.

### ACTION: MOTION TO TABLE AGREED TO, 65-32

**SYNOPSIS:** As introduced, H.R. 1944, the Supplemental Appropriations for Disaster Assistance and Rescissions Act, will enact with minor modifications the provisions of H.R. 1158 (H.R. 1158 was an earlier supplemental rescissions bill (see vote No. 203), which President Clinton vetoed). After negotiations, the President agreed that he would not veto a bill containing the modifications in H.R. 1944.

**Division II of the Wellstone/Moseley Braun amendment** would restore \$332.3 million in rescissions in education and job training programs and would offset that restoration by rescinding the same amount from Department of Defense administration and travel accounts.

Debate was limited by unanimous consent. Following debate, Senator Hatfield moved to table division II. Generally, those favoring the motion to table opposed division II of the amendment; those opposing the motion to table favored division II of the amendment.

**NOTE:** Under Senate Rule XV, any amendment containing more than one proposition will be divided at a Senator's request. The request to divide the Wellstone/Moseley-Braun amendment was made per the terms of a prior unanimous consent request. Prior to this vote, the Senate rejected division I of the Wellstone/Moseley-Braun amendment (see vote No. 319). That division would have eliminated the \$319 rescission in the Low-Income Home Energy Assistance (LIHEAP) program and would have offset that elimination by rescinding the same amount from Department of Defense administration and travel accounts.

Division I and division II were debated concurrently and voted on consecutively. For debate, see vote No. 319.
